## *Custom Wedding Photography*

### Price List

#### Always Included:

- Creative poses designed to match personalities.
- One set of full-resolution, high-quality JPG images on DVDs with copyright. This means that you will be able to make copies, enlargements, share on the Internet, or otherwise use your photos for your own personal use with no extra or hidden costs.
- Basic digital corrections (e.g. cropping, red-eye reduction, colour and exposure correction).
- A gallery of selected images hosted on [www.pjphoto.ca](http://www.pjphoto.ca) for friends and family to share. Security (password-protected) or public access (e.g. Facebook) is available.

#### Services:
